Note from the Principal’s Office...

Dear parents and/or guardians,

Last semester, we implemented several supports for students academically. Between our in-classroom interventions and supports, additional acceleration classes for identified students, and high dosage tutoring we have seen some great growth and achievement trajectories with our students. We are so proud of our students and the work that they put in first semester!

Currently, we are in the heart of registering for classes for next semester. Please work with your student(s) to help identify classes that are based on their career and academic goals, while also aligning with their passions. We will use course registration to plan build out our master schedule next year, plan for staffing, and hiring of new staff this spring. Along the same lines, we are right around the corner of testing season which is an incredibly important time for us to identify additional supports for students, creating additional support classes for students, and placement in requested classes for next year.

We are excited to recognize our honor roll and dean's list recipients this month based on student success from last semester. These students will be recognized alongside their peers at our next high school pep assembly and middle school pep assembly, respectively. We will also have the opportunity to recognize our students that have exemplified the PSD Principles of Community within our building and community, as recognized by their teachers and peers.

Lastly, as the number of drivers coming to campus continues to rise, please continue to abide by our drop off and pick off protocols which are detailed below. Thank you to all of you that have been dropping students off at the curb, paying attention while you re-enter through lanes, and abiding by our 15 mph speed limit in our parking lots.

Sincerely,

Kelby Benedict, Principal

Counseling Corner

High School Registration Reminder: All incoming 9th, 10th, and 11th grade students will have individual meetings with their counselor to discuss course selections for next year. These meetings will take place throughout next week (February 6th - 10th). Students and parents will get reminder emails that provide the specific time and date of the appointment. Please check your email for this information and reach out to the counseling department with any questions.

For students interested in participating in PSD HS Summer School, you can find information here: summer.psdschools.org. Registration for Summer School opens on **Wednesday, March 1st** for Session 1 and in May for Session 2. All classes are free for PSD students 8th-12th grade. All classes will be online from a distance with a teacher for support, monitoring, and grading.

Students will keep their school computers and MiFi devices to complete summer school classes. There are NO mandatory class meetings, but students need access to high-speed internet to access the material. Math classes remain replacement grades only. All other classes can be taken for first-time credit or credit recovery.

Summer School will be offered in two sessions:
Session 1: Monday April 3rd - May 25th 8:00am-3:00pm
Session 2: June 1st - June 29th 8:00am-3:00pm

Please reach out to your counselor if you have any questions or are interested in registering for summer school.
Christy Stiger is our district Mental Health Specialist who is at WMHS 3.5 days a week. She completed the certification process to bring her therapy dog when she is here to help ease anxiety and enhance counseling with students. Mikey is a Golden Retriever certified by the Alliance of Therapy Dogs. He comes to the schools in this area with Christy and provides support during counseling. He doesn’t come everyday, but when he is here, he is most definitely meant to be pet and snuggled. Not every student will be working with Mikey, but there will be times he will be in the halls and open areas, or entering classes to ease anxiety or to just say hi. If you have any questions or concerns about him or about therapy dogs in general, please reach out!

**Arrival and Dismissal Reminders**

As the number of drivers coming to campus continues to rise, please continue to abide by our drop off and pick off protocols. Please be sure to drop all students off at the curb, and not in our parking lot through lanes. Lastly, speed limits in our parking lots are 15 mph.

Please see the [linked map](#) for drop off and pick up of students, bus zones at WMHS, and student parking. Some key highlights:

- Student drop off and pick up should take place on the south side of WMHS (we have two queue points: one east of the flagpole and one west)
  - East drop off/pick up lane is accessed off CR9 & Saratoga St
  - West drop off/pick up lane is accessed off CR62E and Eagle Way (West of the school)
- Please pull all the way up to next car in front of you in the drop off/pick up lanes before allowing students to exit or enter the vehicle.
  - For the east line please pull all the way around and back south toward CR62E
  - For the west line please pull all the way around and back toward the west end of our school
- Please have all students exit the right side of the vehicle onto a sidewalk
- Please yield to cars in through lane when exiting the drop off/pick up lane
- Buses will drop off students on the north side of WMHS
- Student parking will be on the south side of WMHS

Please take note that speed limits have changed on the roads surrounding WMHS, new safety precautions are being put in place by the town daily surrounding our campus, and the speed limit on campus and in parking lots is 10 mph.

Students that are walking and/or riding their bike to school from Three Silos should cross County Road 9 at Saratoga St where there is a crosswalk and where WMHS will staff a crossing attendant.

Students that are walking and/or riding their bike to school from Buffalo Creek should navigate to the intersection of CR9 and Washington Ave at the new four-way stop. There is now a crosswalk going east/west across CR9 and north/south across Washington Ave.
Friendly Reminder from the Attendance Office

Please call the attendance line 970-472-2701 to report full day absences or specific class periods missed. Parents are expected to call the attendance line to report all absences, even when a student has been checked out or checked in at the front office. This is because our attendance office is located well within the building, so all attendance must be reported on our attendance line. Thank you Eagle Family!
