# GPA's (Grade Point Average)

## **Cum GPA.**

Cumulative is an “unweighted 4.0 GPA” that is often used for applications. In this GPA, A=4, B=3, etc.

## **5.0 GPA.**

“4.0 weighted GPA”. Weighs AP or college-credit classes at A=5, B=4, C=3, etc. before the overall GPA is computed.

**Adj GPA.** Based on the 4.0 scale with extra weight given *after* the GPA is computed at .002/credit for AP or college-credit classes.

ONLY used within PSD for class ranking system

Some colleges recompute their own GPA.

# Education— Grades (use your course history in StudentVue)

Rank = Exact

Rank weighting = Unweighted

If you use your “**Cum GPA**”:

GPA scale = 4

GPA weighting = Unweighted

If you use your “**5 Point GPA**”:

GPA scale = 4

GPA weighting = Weighted

The screenshot shows the 'Education' section of the StudentVue application. The 'Grades' sub-section is active, displaying various input fields for reporting student information. The fields include:

- Graduating class size (approx.): 500
- Class rank reporting: Exact
- Class rank\*: 200
- Rank weighting\*: Unweighted
- GPA Scale reporting: 4
- Cumulative GPA\*: 3.2
- GPA weighting: Unweighted

\*Applications are accepted at later dates as well, but offer less access to scholarships, etc.

# What is Test Optional?

---

**Test Optional** might mean:

1. Students have an equal chance to be admitted with or without a test score. Scholarships can also be awarded with or without test scores.
2. Test score is not needed for admissions, but is required for scholarships
3. Test score is not needed for admissions, but it increases opportunity for scholarships
4. A strong test score makes a student much more likely to be admitted than a student who doesn't submit (even if everything else is the same)

**Test Blind:**

College will NOT consider your test scores for any admission or scholarship reason, e.g. University of California schools

# Self-reporting your grades

---

Choose SEMESTER grading system:

- 10-credit class = 2 grades
- 5-credit class = 1 grade
  
- It is more important to reflect the credit than exactly when you took the course

# College Application Process

---

## **The Student's Responsibility:**

- Complete application
- Pay application fee
- Submit essay (if needed)
- Request letters of recommendation and follow-up (if needed)
- Request test scores from testing agency – check college!
- Request Transcript & pay fee to WMHS (Counseling office)

## **WMHS Responsibility:**

- Sends Transcripts
- Sends Letters of Recommendation, if needed, for students not using Common App
- Sends School Profile
- Has Fee Waiver Applications available for students who qualify (if applicable)

# How and When\*\* to Apply

University of Colorado, Boulder (Application)		Jan 15 (Regular)
University of Northern Colorado	App	March 1

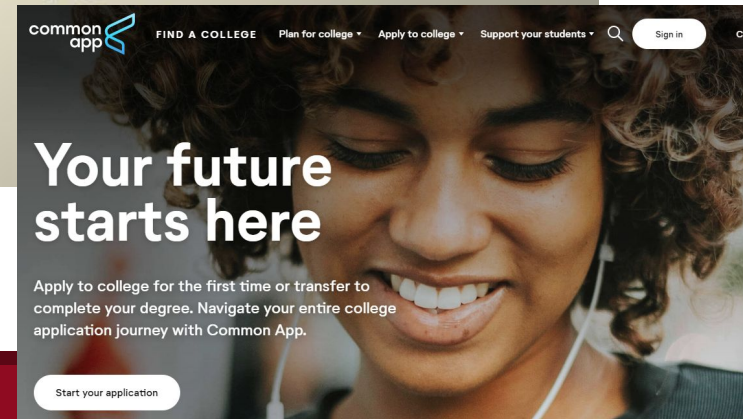

**Always check with your specific college for final dates!**

\*\*Other deadlines may apply for your major, scholarship and/or financial aid

# What is Common App?

- <https://www.commonapp.org/>
- An application platform that is accepted by over 900 colleges for their admissions.
- Through the platform, applicants can apply to multiple colleges at once. So students only have to fill out details that most schools require, including name, address and extracurricular activities, one time.
- You choose exactly which colleges to send your complete application to (it doesn't automatically go to all 900+ schools)

# Coalition App

---

## Avoid if possible

- ❑ It connects to a platform SCOIR, which we don't have at WMHS
- ❑ Most colleges on the Coalition Application have at least one other application option
- ❑ Colleges will NOT penalize you for using a different platform to apply!

## Colorado Free Application Days!

Submit your applications for colleges/universities in Colorado on **October 15-17** to waive application fees (\$30-65 each)

Prepare ahead of time so you can simply hit submit!

# Letters of Rec: Help colleges understand YOU!

Your academic & personal background, your character, & why you will be successful in your next step.

## Helpful Hints

- Only ask for what you need and no more
- Ask someone who can speak about you academically
- The same letter can usually be used for college and scholarships
- Letters are normally sent directly from the teacher to the college to maintain confidentiality.
- Teachers can say no to your request

## About 1 Month prior to due date:

- Step 1:** Ask the teacher face to face
- Step 2:** Find out what info they need from you (resume, transcript, the LOR information form, [brag sheet](#))
- Step 3:** Let them know where and how letters will be sent (common app, UNC's online application, etc)
- Step 4:** Send a thank you note

## Complete Yellow Transcript Request Form (in Counseling Office)

Sign the back stating WMHS can release your transcript to multiple colleges

Submit form & your receipt for \$3.00 per college to Student Services

Deadline: 2 weeks before college deadline

Be aware of Thanksgiving and Winter Break!

# Transcript Request Process

# Essay

---

**Check the prompt from each college**

- Answer the question
- Tell a story
- Come alive
- Share a dimension of yourself NOT elsewhere in the application

**Might use the essay to explain low grades, extenuating circumstances, etc. but it's better to use the "Additional Information" section, if available**

**Proofread and edit!**

# Application Helpful Hints

Keep your passwords in a place you can find them! FRCC, SAT, FAFSA, etc.

Have a professional email address ([FirstLastGradyear@email.com](mailto:FirstLastGradyear@email.com))

Name/rename your documents so you can find them easily

Use your full legal name

Social media—clean it or close it!

Proofread before you click submit...

# Students with IEPs, 504s, or disabilities

---

- ❑ Look for colleges with an appropriate level of support for your needs
- ❑ When you visit a college, meet with their disability support personnel (Disability support services, Learning support services, Office of special education programs, Center for students with disabilities, etc.)
- ❑ **YOU** must self-identify and advocate for accommodations or support

# Identity and college: Consider your fit

---

- Hispanic Serving Institutions
- Historically Black Colleges and Universities
- LGBTQIA+ friendly campuses
- Religiously-affiliated colleges
- Tribal Colleges
- Women's Colleges or Men's Colleges

**studentaid.gov**

Go to the website NOW and get your FSA ID

# Students who are Undocumented/ Do not have a Social Security Number

---

- In-state tuition available for students who have attended high school in CO for one year
- You would not qualify for the FAFSA, but the **CASFA** is available for state aid for colleges in Colorado and works similarly to FAFSA.

# THIS IS WHY YOU SHOULD FILL OUT THE FAFSA

#CollegeOpportunity | [StudentAid.gov](https://studentaid.gov)

  - Plus many other students qualify depending on their family's situation and the college's cost

## Loans

- MUST be repaid
- Available from the government and from private sources (federal Stafford loans, federal PLUS loans, federal Perkins loans, institutional loans, private loan programs)

## Work- Study

- Students earn money by working part-time on campus
- Sponsored by college/government
- Say “Yes” to the question on the FAFSA that asks if you are interested in work-study eligibility (it's not required if you do qualify)

# COF

---

Provides a tuition stipend to eligible undergraduate students. The stipend pays a portion of your total in-state tuition when you attend a participating college
