REGISTRATION

How do students register for classes?

Students register for classes directly with the college, not with their high school counselor. FRCC has 2 enrollment advisors that come to the high schools to assist students with this.

Casey Vavrina (casey.vavrina@frontrange.edu)

Gaby Tabor (gaby.tabor@frontrange.edu)

ACCOMMODATIONS

504s and IEPs do not carry over to the college. All accommodations must be agreed on with the disability support office.

ELIGIBILITY

If the class is offered at the high school as high school select, it cannot be taken as a campus select class.

Students must be enrolled as a full-time student in the fall for the year they want to take a campus select class.

If a student fails a class or withdraws from more than one class in a semester, they have to sit out the next semester.

Students must apply for each semester they want to participate by the deadline.

*Late applications are not accepted.
